## **Activity 6: Image Descriptions**

Image descriptions describe the contents of a photo, video, or graphic in detail. Keep your descriptions concise by describing the object of the photo first, the action, and then the context.

1. Write an image description for the photo above. Hint: You could begin with "A person holding..."

Graph created by Sheridan College
<ol> <li>Plot your social location by listing your identity markers as they are featured on the graph above. You can also circle them if it's easier.</li> </ol>
What did you notice about your social location? Write 2-3 sentences about what stood
out most to you.
